

Research Participation Opportunity For Men

Your Story Matters

This study aims to explore the complex experiences of men in the post-abortion period by offering a space to share their story and opportunity to contribute to valuable research.

Scan the QR code to complete an interest form.

Interested in participating?

Requirements

- * Male over 18
- * Shared pregnancy ended in abortion after June 24, 2022

Participants will be compensated for interview time with a \$25 Amazon e-gift card
